A sow belonging to a farmer living about five miles east of the city recently farrowed twenty-one pigs. One of the litter died shortly after its birth, but the other twenty are living and doing well. Cured Splint

"I have used Sloan's Liniment on a fine mare for splint and cured her. This makes the third horse I've cured. Have recommended it to my neighbors for thrush and they say it is fine. I find it the best Liniment I ever used. I keep on hand your Sure Colic Cure for myself and neighbors, and I can certainly recommend it for Colic."—S. E. Sartis, McDonough, Ga.

Cured Thrush.
Mr. R. W. Parham, of Bristol, Ind., R. No. 2, writes:—"I have used lots of your Liniment for horses and myself. It is the best Liniment in the world. I cured one of my horses of thrush. Her feet were rotten; the frogs came out; she laid down most of the time. I thought she would die, but I used the Liniment as directed and she never lies down in the daytime now."

SLOAN'S LINIMENT

should be in every stable and applied at the first sign of lameness. You don't need to rub, it penetrates.

Will kill a spavin, curb or splint, reduce wind puffs and swollen joints, and is a sure and speedy remedy for fistula, sweeney, founder and thrush.
